We were asked if we would like to make any comments on how KPFP has helped us in planning our future needs in retirement.

We are more than happy to comment. We were introduced to Pat Roberts in 1986 and we found Pat to be genuine and easy to liaise with. We talked superannuation and planning for the future. Pat was a great help in setting us on the right path and we are now enjoying the benefits in our retirement years. All the planning fell into place for us to retire.

Pat Roberts became a lifelong friend to us. Greg Roberts, Pat's son, is now our adviser. We would not hesitate to recommend this family run, honest and trustworthy business which has helped us to enjoy our retirement in a stress-free manner.

A big thank you to all at KP Financial Planning.
